In collaboration with the Instituto Europeo para la Gestion de la Diversidad, Icon Group invites you to celebrate the 7th annual edition of the international Global Diversity & Inclusion Seminar in Barcelona next February 20th & 21st 2014.

This event is one of Europe's longest running and most respected corporate focused diversity & inclusion seminars.

We are excited to partner with the IEGD as we look to include more Spanish Diversity Inclusion & HR professionals in this event.

To mark this edition we are bringing together many of the world's leading minds in the area of diversity and HR. Key to this years seminar will be connecting everyday practitioners, C-level, Board level representatives with authors and professors from some of the world's most recognized companies and institutions in driving innovation and effective thinking. This year's seminar will undoubtedly be one of our most comprehensive agendas yet as we focus on the changing attitudes of Diversity, asking the questions why diversity is stalling & is it time to rethink how businesses approach the question?.

As part of the IEGD agreement we are happy to extend a 15% discount on our attendance rates throughout December 2013 & January & February 2014.
